Notice No. 03-12

Date: March 20, 2003

## Fort Pitt Bridge and Tunnel Rehabilitation

1. **TO ALL WHOM IT MAY CONCERN:** Notice is given that Joseph B. Fay Company, contractor for Trumbull Corporation, will be conducting steel dismantling operations on the approach spans to the Fort Pitt Bridge. The work will be performed at Mile 0.0 on the Monongahela River, right bank, within 200 feet of the existing shoreline. Day and night shift work will commence on April 8, 2003 and be completed by May 10, 2003. At no time will the channel be closed to perform the work.
2. Equipment located along the right bank of the river will be one barge mounted Manitowoc 4100W Series Three Crane, approximately three barge hoppers, one tugboat, and one standard flat deck barge for staging. Steel members will be removed using the barge mounted crane and will be loaded onto stationary barge hoppers.
3. Navigators should use caution when passing the area.
